

## Thank You

We want to thank everyone  
From the bottom of our hearts  
But we don't even know  
Where the heck to start

So many people have  
Done so much  
You've made a huge impact  
Instead of a little touch

We appreciate everything, everyone has done  
More than words can say  
We thank God for all of you  
Each and every day

In our life there has been  
Some downs  
But you came together  
And turned it all around

Now we know these are just words, and a "Thank You"  
Doesn't seem enough  
But we hope someday we can help you  
And repay you for all this stuff

Your hearts have been made  
Big not small  
So Thanks again for everything  
And may God bless you all
