TAKE A KID FISHING DAY HELD: McCook County Wildlife Club held their annual Take A Kid Fishing Day last Thursday at Lake Vermillion. Twenty-eight kids from Salem, Spencer, Montrose, Bridgewater and Canistota were in attendance. The event is sponsored by the club using proceeds from its annual fishing derby held each year on the Missouri River. The kids are chosen by application. The club hopes to introduce the sport of fishing to this younger generation in hopes of them finding an interest in it. Fishing poles, tackle, and tackle boxes are given to all the participants and are theirs to keep. A small lunch was served prior to

fishing. The South Dakota Game, Fish and Parks assisted with the event. This year it was a great evening for the event as no wind, no bugs, and no rain were the rule. Cool temperatures also contributed to a nice summer evening. Every kid caught at least one bullhead, and some caught four or five fish. A few rough fish and some other game fish were caught as well. The McCook County Wildlife Club is located 3 miles east of Salem and generally meets on the last Wednesday of most months. An advertisement in this newspaper can be found prior to meeting dates.

From the Tribune's archives...

FIFTY YEARS AGO, JUNE 13, 1963: Jerry Kurth of Bridgewater was selected as the McCook County winner in a tractor maintenance contest held in Madison this past week. He will represent McCook County at the State Contest to be held at SDSC in Brookings.

A daughter was born to Mr. and Mrs. Vernon Presuhn, Friday, June 7 at the Methodist Hospital in Mitchell. She has a sister.

TWENTY-FIVE YEARS AGO, JUNE 9, 1988: A daughter was born to Leon and Nancy Weber on May 26, 1988. She weighed 6 lbs. 12 oz. and has been named Stacy Marie. She joins a sister, Bethany and a brother, Michael.

A girl was born to Mr. and Mrs. Glenn Wollman on Saturday, June 4, 1988. She weighed 8 lbs. 13 oz. and has been named Heather Lynn. She joins one brother and one sister at home.

TEN YEARS AGO, JUNE 12, 2003: The Grandview Assisted Living Center in Bridgewater is now open and will be holding a Grand

Opening Open House on June 28.

Scott Stahl and Kayla Hurley each received top honors in the FFA's state proficiency award program. These awards are given to outstanding achievements in individual Supervised Agricultural Experience programs. Scott placed first in the Diversified Crop Proficiency area and will go on to national consideration, and second in the Grand Entrepreneurship award. Kayla was second in the Equine Science Entrepreneur area and also received her State FFA Degree, the highest degree an FFA member can attain at the state level.

Class of 1952 open house

The BHS Class of 1952 will host an open house prior to the Alumni Banquet on Saturday, June 15.

The open house will be held at Trinity Community Church from 2:00-5:00 p.m.

This is an opportunity to get reacquainted with someone you may have not seen in some years.

BIGGEST FISH OF THE DAY: Margie Fluth was lucky enough to catch the biggest fish of the day when the Diamond Care Center group fished at My Fishing Pond Inc.

LOCAL FARMER RECEIVES AID WITH PLANTING: After Kenton Hofer of Bridgewater, S.D. was faced with a serious illness, he looked into receiving help with his farm planting from North Dakota-based Farm Rescue. Farm Rescue is a non-profit organization that plants and harvests crop for family farmers who have suffered a major injury, illness, or natural disaster. Farmers who meet these qualifications apply to Farm Rescue

for their services. Kenton and his family are extremely grateful for Farm Rescue's services and hope to someday be able to repay the help by providing similar help to others. A short video on www.farmrescue.org features Kenton and his wife Autumn as they explain their venture through the hardship. Above is Kenton's son and his family (l-r) Shannon, Gage, and Sheldon Hofer.

DCC spends day at "My Fishing Pond"

Friday, June 7 was a beautiful, near perfect day, to go fishing and that is just what fourteen residents from the Diamond Care Center ventured out to do for the day at My Fishing Pond, Inc. near Bridgewater. It was a beautiful day to just enjoy the outdoors near the water.

Those enjoying the day were Rosie Grimes, Gary Hanson, Deb Schofield, Mary Walters, Harry Dawson, Lowell Terveen, Leslie Valandra, Harley Fluth, Lawrence and Alice Axmaker, Darlene Stoffel, Les Schultz, Martha Kerher, and Donovan Straw. Mike Longe, Braxton, Karson and Kameron, Margie Fluth and Jerry Stoffel joined us, too.

The contest was this - whoever caught the first fish and the largest would receive a prize. Those winners were Roxie Grimes with the very first catch and Margie Fluth with the largest.

A picnic lunch provided by the "My

Fishing Pond" was enjoyed by all. Staff attending were Kim Longe, Rebecca Arend, Shelley Safar, and Rosalie Weber. Thanks to the Roger Leitheiser family and a volunteer, Joe, for all your assistance. Also thank you to Ann Munkvold for the transportation and her assistance.

Pictures of the event are shown in this issue.

A GREAT DAY OF FISHING WAS HAD BY ALL! This group of the Diamond Care Center residents, staff, and volunteers recently participated in a fishing trip to My Fishing Pond Inc. just west of Bridgewater. A great time was had by all and the fish were biting!

Bad weather forces cancellation of derby

The McCook County Wildlife Club held their annual fishing derby two weekends ago at the Missouri River but high winds forced cancellation of the actual fishing on Saturday. Thirty-five boats were entered and the winning payouts were determined by a drawing of cards. Six places were drawn and those winners were:

- 1st: Tom Oyen, Andy and Braden Kerkhove
- 2nd: Gary, Nick, Aaron and Brian Bahmuller
- 3rd: Marty and Blake Gessner, Denny Mehlbrech
- 4th: Bart Sherard
- 5th: Chuck, Greg, Jared, Jackson Feiner, Wes Vanderpool
- 6th: Ben Lord

The proceeds from the tournament are used the fund the Take A Kid Fishing Day that was held this past Thursday.

The club would like to thank all the participants and willing workers and looks forward to better weather next year!

FIRST CATCH OF THE DAY: Donovan Straw had the first catch of the day at the Diamond Care Center fishing outing at My Fishing Pond Inc.

Give one pint and save three lives!

Blood donors can help prevent a summer blood shortage

LifeServe Blood Center relies on donations from generous blood donors to maintain an adequate blood supply for our community. Blood donors are especially needed during the summer months as blood donations tend to decrease this time of year. Just one blood donation can help save the lives of up to three hospital patients in our community; making blood donors more important than ever this summer.

Register to donate at any LifeServe Blood Center location or mobile blood drive through June 15 and earn points to redeem a commemorative "Give" t-shirt at the LifeServe Online Store for just 100 points!

LifeServe Blood Center is now the provider of blood and blood products to Freeman Regional Health Services. Schedule your appointment at the Freeman Community Blood Drive. The blood drive will take place on Thursday, June 20, 2013 from 7:30 a.m. - 12:30 p.m. in the Bloodmobile at Freeman Regional Health Services Building - Lobby, 510 East 8th St.

The Blood Center of Iowa joined operations with Siouxland Community Blood Bank in April, 2010 to become LifeServe Blood Center. As one of the 15th largest

blood centers in the country, LifeServe Blood Center provides blood and blood products to more than 90 hospitals located across Iowa, Nebraska and South Dakota. LifeServe is committed to providing premier service to volunteer blood donors and access to a safe, quality

blood supply for hospitals and patients. For more information about blood donation or to schedule an appointment to donate blood, call 800.287.4903 or visit www.lifeservebloodcenter.org.

EVEN TURTLES! Not only were fish caught at My Fishing Pond Inc., but turtles too. Roxie Grimes looks at the turtle she caught.
